IT ALL STARTED WHEN John Lamb, owner of Bagel Boys, was 15 years old. His first job was working in a bagel-delicatessen outside Philadelphia. This job sparked John's dream of one day owning his very own bagel shop. After working for 10 years for a national chain bagel shop, John struck out on his own to realize that dream. The first Bagel Boys location opened in 2005, grew to include the Kimball Bridge location in 2010, and continues to thrive each and every day.

Bagel Boys Café is a neighborhood café that uses superior ingredients and provides great service in a warm and comfortable atmosphere. It is a place where people can quickly collect their meal to go or take their time and relax over a bite to eat and a cup of coffee. The environment is suitable for families or business meetings.

John and his family live in Alpharetta and love everything the community has to offer. John strives to build on his community by providing residents a great place to "meet and eat". By hiring fantastic people and offering consistent, excellent service, Bagel Boys creates a welcoming atmosphere to everyone who steps foot inside the door.

Bagel Boys Café is the home for great bagels, breakfast & deli-style sandwiches, catering, and much more! Both the Kimball Bridge and Haynes Bridge locations offer free Wi-Fi as well as an environment that invites you to sit and stay awhile.

The bagels are made from scratch and baked daily in each store. All of the Bagel Boys menu items are made using the highest quality ingredients such as Boar's Head Deli meats and Caravan baking products. When you are dining at Bagel Boys, you are dining on quality. Better Food. Better Value. Taste the Difference at Bagel Boys!
